Wall Switch | Indoor | Kinetic | ⒶCS

Battery-free kinetic wall switch for ⒶCS networked platform. Generates power from button press — no wiring or batteries required. BLE SigMesh connectivity with on/off, dimming, and custom scene control.

TECHNICAL SPECIFICATIONS

Function	Kinetic Wall Switch
Power Source	Kinetic (self-generating)
Communication	BLE SigMesh
Mesh Range	100FT (30m)
Controls	ON/OFF, Dimmer, Scenes
Mesh Capacity	Up to 500 nodes
DLC NLC	Qualified
IP Rating	IP20
Certification	UL Listed
Mounting	Wall Mount (Gang Box)
Commissioning	ⒶCS by ALG App (iOS)
Operating Temp	-10°C to +40°C
Finish	White
Application	Wall

FEATURES

- Zero-battery kinetic power
- BLE SigMesh networked
- Dimming control
- No wiring required
- ⒶCS by ALG app programmable
- Self-generating button mechanism
- ON/OFF toggle control
- Custom scene activation
- Standard gang box mount
- DLC NLC qualified

COMPATIBLE LUMINAIRE FAMILIES

All ALG luminaire families
